Technical Projects

Professional Experience

Distinctive Wood Floors Inc | Hardwood Floor Installer/Refinisher | Bend, Oregon   2020-2022

- When COVID hit, I was in my Junior year of HS. I began working here and doing online school simultaneously until I graduated then proceeded to work there until I decided this is what I wanted to do.
- Worked in a crew of 3-4 with an emphasis on positivity, direct communication with home owners, and beautiful work resulting in consistently positive reviews.

Education

Coding Dojo | Full-Stack Developer Certificate | Online Full-Time   2022

- Immersive Full-Stack Training Program in Python, Java, MERN

Redmond High School | High School Diploma | Redmond, Oregon   2017 - 2021

- Computer Science 1A & 1B: During this class, the idea of coding was introduced to me and I loved it.
